"A Venture in Africa" takes the reader through the twists and turns of doing business with African states and leaders in the turbulent 1970s and later. Drawing on his long experience of modern Africa and international business, Sardanis portrays the crises, disasters and personalities he has encountered in the continent.

~~A Venture in Africa: The Challenges of African Business~~

A Venture in Africa is certainly out of the ordinary. Andrew Sardanis, a Greek Cypriot who owned a chain of stores in Northern Rhodesia, was no friend of the British and particularly of the Provincial Administration in preindependence days. This antipathy was mutual as he sided with Kenneth Kaunda's United National Independence Party (UNIP).

~~Fellows | Venture for Africa~~

Yes, Africa does need an innovative, venture building community supported by top universities, extensive risk capital, and passionate entrepreneurs. However, it cannot be Silicon Valley in Africa. It must be thoroughly African with lessons learned not only from Silicon Valley but from innovation engines across the globe.
