Now in its second
edition, Dinah

Shelton's

pioneering book
provides a uniquely
accessible

introduction to the
history and the latest
developments in
international human
rights law. Exploring
the origins, customs

Download Free Advanced

and institutions that have emerged globally and regionally in the last two centuries, this incisive book guides readers through the major treaties and declarations that form the foundations of the discipline today.

In this landmark text,

security exceptions.

Advanced
Introductions
Series
August Reinisch gives
a broad overview of
the entire field of
international
investment law that
has emerged as an
important subfield of

Download Free Advanced

Introduction To
economic law over
the last decades. As a
result of the boom of
investment
arbitration since the
late 1990s, core
questions of the
substantive
treatment of foreign
investors are
analysed. Combining
an academic and a
practical perspective,

Download Free Advanced

this book has been written to provide an introduction to investment law for lawyers, political scientists, economists as well as those interested in international relations.

Stephen F. Ross
presents this succinct
introduction to key

Download Free Advanced

topics of law specific to sports, comparing approaches to sports law across the globe, with particular focus on the United States, Europe, and common law jurisdictions.

Contrasting the profit-maximizing approach of North American leagues with the global integrated approach of

Download Free Advanced

professional sports
governed by national
and international
governing boards,
the book offers a
novel model for the
latter.

This thought-
provoking
introduction provides
an incisive overview
of dignity law, a field
of law emerging in

Download Free Advanced

every region of the globe that touches all significant aspects of the human experience. Through an examination of the burgeoning case law in this area, James R. May and Erin Daly reveal a strong overlapping consensus surrounding the meaning of human

Download Free Advanced

dignity as a legal right and a fundamental value of nations large and small, and how this global jurisprudence is redefining the relationship between individuals and the state.

David P. Forsythe
presents a
compelling

Download Free Advanced

Introduction To
international human
rights in a political
context. He stresses
the difficulties of
interjecting human
rights into foreign
policy and
international politics,
while recognising the
considerable
progress that has
been made over time.
Focusing on

Download Free Advanced

Introduction To
organizations, states,
corporations, and
private advocacy
groups, Forsythe
addresses key
themes including
war, migration,
climate change, and
slavery.

The third edition of
this market-leading
textbook (previously

Download Free Advanced

called An Introduction To

Introduction to
International
Institutional Law) is

written in a clear,
three-part structure.

It is centred on the
dynamics of the
relationships

between
international
organisations and
their organs, staff,
and the outside

Download Free Advanced

world. It discusses the essential topics of the law of international organisations, including powers, finances, and privileges and immunities, as well as membership rules, institutional structures, and accountability. The newly revised text

Download Free Advanced

has been updated
extensively to reflect
the entry into force of
the EU's Lisbon

Treaty (and Croatia's
accession) and new
articles on the
responsibility of
international

organisations. The
chapters have also
been reorganised for
further clarity. Two
new chapters, on the

Download Free Advanced

international civil
service and the
relations between
organisations and
other institutions,
respectively, have
been added.

Elgar Advanced
Introductions are
stimulating and
thoughtful
introductions to
major fields in the

Download Free Advanced

social sciences and
law, expertly written
by the world ' s
leading scholars. This
accessible and
concise introduction
provides a salient
overview of
contemporary
international
environmental law as
well as a critical
assessment of the
controversies that

Download Free Advanced

arise when trying to
achieve
environmental
protection through
international law.

Covering the origins,
content, institutional
structure and
accountability
mechanisms of
international
environmental law, in
their social-economic
and political context,

Download Free Advanced

Ellen Hey discusses substantive and procedural fairness, thus exploring questions of distributive justice, accountability and legitimacy. Providing an invaluable entry point to this complex area of the law, this book enables a rapid understanding of the core principles of this

Download Free Advanced

multi-faceted topic.

Key features include:

- Concise and compact overview •

Discusses

contemporary developments •

Examines IEL ' s

relationship to other areas of international law • Considers the social-economic context.
