Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Teach students the math skills they need to enter the workforce Plan a business-oriented curriculum for your students with this full-color, easy-to-read text that focuses on the skills students need on the job. Math for the World of Work covers critical skills like whole numbers, fractions, decimals, averages, estimating, measurements, and ratios. Each skill is introduced in a cross-curricular context that helps students learn about the business world. Lessons are reinforced with problem-solving activities, exercises, and review questions to give students plenty of practice and solidify their understanding of new skills. And features like Application Activities and Technology Connections ensure that students understand how to apply the skills they acquire. Lexile Level 860 Reading Level 3-4 Interest Level 6-12

Provides exercises and activities to teach the basics of mathematics.

Covers the history to 1647.

This revised textbook program helps students of all abilities see the relevance of world history in their lives with stories of the world's people, from the earliest times to the present. The manageable, single-concept approach and multi-faceted support helps students successfully meet curriculum requirements. Pacemaker® World History provides engaging features like History in Your Life, You Decide, and History Fact presented in accessible language to help all students learn about world history.
