The book presents the life of the Prophet Muhammad, upon whom be peace, from his childhood in the desert to his divine mission and early preaching in Makkah. It goes on to describe the hostility of Makkans towards his message, their total boycott of him and his family, the Night Journey to seven heavens and the migration from Makkah to Madinah. In Madinah he was welcomed and lived there for ten years teaching and calling people to the divine truth. His life went through stages of poverty, prosperity, defeat and success. Yet whatever his state of well-being or hardship, he never once strayed from the path of moderation. At all times, and right till the end, he remained the patient and grateful servant of the Almighty, bringing his message of peace and truth to all mankind.

"Imagine it is the seventh century. As most of Europe continues its descent into a long period of intellectually dormancy, a quiet yet powerful academic revolution is erupting in another corner of the world. Over the next centuries, the geniuses of Muslim society will thrust the boundaries of knowledge forward to such a degree that their innovations still shape civilizations to this day. The staggering achievements of these men and women influenced the development of modern mathematics, science, engineering, and medicine. 1001 Inventions: The Enduring Legacy of Muslim Civilization sheds new light on this golden era that was once lost to so many, and celebrates the heritage that we all share"--P. [4] of cover.

The perfect book to teach pre-school children about the most important acts in Islam.
