Percentage guidelines for church budgets are helpful, but always need to be fluid in their application. Every local church is a unique microcosm of God's Church. Each church has to prayerfully consider their mission, culture, history and future to determine how the proper allocation of budget dollars should play out.

First of all, a budget is only a forecast of the income and expenses of the church. It is planning on how much you plan or wish to spend towards different accounts, such as benevolence, utilities, salaries, etc. Remember, these are not actual dollars you have placed in advance into some type of account or even have to spend if your spending is less than what you have estimated.
