Before Happiness: The 5 Hidden Keys to Achieving Success ...

In his international bestseller, *The Happiness Advantage*, Harvard trained researcher Shawn Achor described why happiness is the precursor to greater success. This book is about what comes before both. Because before we can be happy or successful, we need to first develop the ability to see that positive change is possible. Only once we learn to see the world through a more positive lens can we summon all our motivation, emotion, and intelligence to achieve our personal and professional goals.
