There is a good section at the beginning on background information. The guide then divides the city into nine sections. There is a wealth of information on museums and landmarks, and also places to eat and hotels. The relative cost of the eateries is indicated, but I would ...

The DK guides are consistently the best to help you see a city on a short break. The descriptions and graphics are good and clear and the outline of the history of the city in question is invariably well written and informative. The Berlin guide is no exception and covered almost all of the places we wanted to visit in Berlin.
