Überlieferte Originalstelen mit Inschriften der großen Könige Sargon und Nar?m-Sîn von Akkade, die im 23. Jahrhundert v. Chr. als erste ein Weltreich eroberten, sowie mündlich tradierte Sagen haben diesen beiden Königen einen herausragenden Stellenwert in der historischen Erinnerung der Babylonier

Download Ebook Erz Hlkultur

und Assyrer verschafft. Dies führte zu einer Reihe erzählender Werke, die zum Teil wie echte Heldenlieder gestaltet sind, zum Teil sich aber auch als authentische Königsinschriften gebärden. Das Verständnis dieser heterogenen Textgruppe in verschiedenen Fragerichtungen zu erhellen, ist das Ziel vorliegender Studie. Zu den Fragestellungen gehören die Bestimmung der Gattungen, denen die Texte angehören, und ihre Scheidung von den authentischen Königsinschriften, die durch das Merkmal der Fiktionalität gekennzeichnet ist. Des Weiteren soll die zum Teil hohe literarische Qualität dieser Werke herausgearbeitet werden. Schließlich wird untersucht, inwiefern sich an diesen Werken die Mechanismen und Bedingungen ihrer Überlieferung ablesen lassen, ob sie Spuren eines mündlichen Sargon- und Nar?m-Sîn-Sagenschatzes aufweisen und welche literarischen Funktionen sie erfüllten.

The author, one of the most highly respected scholars of historical anthropology, has undertaken extensive research on folk beliefs related to communication with the supernatural sphere. In this book, she examines the systems of such communication known by early modern Hungarians, and the role these systems played in the everyday life of the village. New types of mediators are identified such as "the neighborhood witch, " the healing witch, and the demons seen in dreams. Representing a major contribution to the most up-to-date international research, Eva Pocs draws on significant East European material and literature not previously coordinated with that from the West. In so doing, she makes a valuable contribution to a subject that has recently attracted the attention of several leading scholars.

Die semantische Entwicklungsgeschichte der Modalverben ist ein Lehrstück der historischen Semantik. Der vorliegende Band setzt sich zum Ziel, die Diskussion um die semantische Entwicklungsgeschichte der Modalverben zu fördern, indem er Desiderate benennt, theoretische und methodische Probleme

formuliert, bekanntes Datenmaterial unter systematischen Fragestellungen neu aufgreift und neues Datenmaterial unter systematischen Fragestellungen verfügbar macht.

Winner of the Christianity Today Book Award, *Fiction In Eden Mine*, the award-winning author of *Black River* examines the aftershocks of an act of domestic terrorism rooted in a small Montana town on the brink of abandonment, as it tears apart a family, tests the faith of a pastor and the loyalty of a sister, and mines the deep rifts that come when the reach of the government clashes with individual freedom. If I stay here, Jo, I know you could find me. If you wanted to, you could find me. For generations, the Fabers have lived near Eden Mine, scraping by to keep ahold of their family's piece of Montana. Jo and her brother, Samuel, will be the last. Despite a long battle, their property has been seized by the state through eminent domain—something Samuel deems a government theft. As Jo packs, she hears news of a bombing. Samuel went off to find work in Wyoming that morning, but soon enough, it's clear that he's not gone but missing, last seen by a security camera near the district courthouse—now a crime scene—in Elk Fork. And the nine-year-old daughter of a pastor at a nearby church lies in critical condition. Can the person Jo loves and trusts most have done this terrible thing? Can she have missed the signs? The last time their family met violence, Jo lost her ability to walk. Samuel took care of her, outfitted their barn with special rigging so she could still ride their mule. What secrets has he been keeping? As Jo watches the pastor fight for his daughter, watches the authorities hunt down a criminal, she wrestles with an impossible choice: Must she tell them where Samuel might be? Must she choose between loyalty and justice? Between the brother she knows and the man he has become? A timely story of the tensions splintering families and communities all over this country, S.M. Hulse's *Eden Mine* is also a steady-eyed gaze into the ideals of the West and the legacies of violence, a moving account of faith in the face of

evil, and a heartrending reckoning of the terrible choices we make for the ones we love.

A few short years ago, Michael Rectenwald was a Marxist professor at NYU, pursuing his career and contemplating becoming a Trotskyist, when the political climate on campus - victimology, cancel-culture, no-platforming, and political correctness run-amok - began to bother him. He responded by creating a Twitter handle, @AntiPCNYUProf (now @TheAntiPCProf), and began bashing campus excesses with humor and biting satire. Predictably, he was soon discovered and pushed out of his job. Rectenwald struck back by publishing *Springtime for Snowflakes*, a memoir of his experiences in academia, which included criticism and analyses of the leftism now dominating campus culture. He followed that book with *Google Archipelago*, which delves into the seeming enigma of why big business embraces far-left politics - hint: self-interest is involved - and the rapid growth of consumer/citizen surveillance. The foundation for a robust leftist totalitarianism is being carefully laid. With this new volume, Rectenwald returns with his characteristic sharp wit and incisive analysis and continues to fine tune his critique of modern leftism. He brings his unique perspective as an ex-Marxist and civil libertarian to bear on leftist culture, with its abandonment of traditional morality and emphasis on collective social identities -- which are ironically increasingly atomized, as overwhelming centrifugal forces break up any previously stable social cohesion. The revolution is here and it's winning. Find out why, and how to combat it. Get *Beyond Woke*.

" An enraged elephant flips a car onto its roof. A lioness prises open the door of a terrified couple. A leopard helps itself to a family's picnic breakfast. A fleeing impala leaps through an open car window. A lion charges around inside a busy rest camp. A hyaena snatches a baby from a tent. A tourist takes a bath

in a croc-infested dam...These are just a few of the 101 jaw-dropping sightings, scrapes and encounters in this collection of extraordinary true stories from the roads, camps, picnic sites and walking trails of South Africa's Kruger National Park, as told by the very people who experienced them. There are no game ranger tales here - each and every story happened to an ordinary Kruger visitor doing what over a million tourists do in this spectacular reserve each year." -- Back cover.

Packed with puzzles and activities: odd one out, counting and sorting, matching, word games, and jigsaws.

Las Vegas provides the classic sophistication and darkness necessary for a deadly noir story. Stylish, sultry, brimming with ambition and greed, the characters who populate this literary Las Vegas are pushed to the extremes of human experience. From the neon glitter of the Strip to the treacherous views of Red Rock Canyon and Boulder City, from the desperation of Naked City to the racial tensions of the Westside, no other location offers so many different avenues leading to serious trouble.

The step-by-step format of this text quickly demystifies UNIX and gives users the skills needed to put UNIX to work immediately. Includes an overview of the system, basic system administration tasks, basic UNIX programming, and more.
