Joyful Mending shows you how to fix old items of clothing, linens and household objects by turning tears and flaws into beautiful features. Simply by applying a few easy sewing, darning, felting, or crocheting techniques, as well as some sashiko and other favorite embroidery stitches, you can repair your favorite pieces in a transformative way. These techniques don't just save you money, but make your life more joyful, fulfilling and sustainable in an age of disposable "fast fashion." Author Noriko Misumi teaches you her philosophy of mending and reusing items based on the age-old Japanese concepts of mindfulness and Wabi Sabi (an appreciation of old and imperfect things). In her book, she shows you how to: Repair any kind of fabric that is torn, ripped or stained—whether knitted or woven Work with damaged flat or curved surfaces to make them aesthetically pleasing again Create repairs that blend in, as well as bold or whimsical visible repairs Darn your handmade or expensive gloves, sweaters and socks to make them look great again The joy to be found in working with your hands and the personal artistry you discover within yourself lie at the heart of this book. While nothing lasts forever, there's pleasure, as well as purpose, in appreciating age and imperfection. Joyful Mending allows you to surround yourself with the things that truly give you joy, whether they were given to you by a loved one, picked up in your travels or simply have a special place in your heart.

These days, Richmond is a city of winter balls and garden parties on soft summer evenings, a city of private clubs where white-haired old gentlemen, with their martinis or mint juleps in hand, still genuflect in front of portraits of Robert E. Lee. But it's also a city of brutal crime scenes and drug corners. It's a city of world-class ad agencies and law firms, a city of the FFV (First Families of Virginia) and a city of immigrants - from India, Vietnam and Africa to Massachusetts, New York and New Jersey.

Forty very short stories that reimagine the genre of crime writing from some of today ' s most imaginative and thrilling writers " An intriguing take on crime/noir writing, this collection of 40 very short stories by leading and emerging literary voices—Amelia Gray, Brian Evenson, Elizabeth Hand, Carmen Maria Machado, Benjamin Percy, Laura van den Berg and more—investigates crimes both real and imagined. Despite their diminutive size, these tales promise to pack a punch. " —Chicago Tribune, 1 of 25 Hot Books for Summer Tiny Crimes gathers leading and emerging literary voices to tell tales of villainy and intrigue in only a few hundred words. From the most hard-boiled of noirs to the coziest of mysteries, with diminutive double crosses, miniature murders, and crimes both real and imagined, Tiny Crimes rounds up all the usual suspects, and some unusual suspects, too. With illustrations by Wesley Allsbrook and flash fiction by Carmen Maria Machado, Benjamin Percy, Amelia Gray, Adam Sternbergh, Yuri Herrera, Julia Elliott, Elizabeth Hand, Brian Evenson, Charles Yu, Laura van den Berg, and more, Tiny Crimes scours the underbelly of modern life to expose the criminal, the illegal, and the depraved.

Ask Dr. Mueller captures the glamour and grittiness of Cookie Mueller's life and times. Here are previously unpublished stories - wacky as they are enlightening - along with favorites from Walking Through Clear Water in a Pool Painted Black and other publications. Also the best of Cookie's art columns from Details magazine, and the funniest of her advice columns from the East Village Eye, on everything from homeopathic medicine to how to cut your cocaine with a healthy substance. This collection is as much an autobiography as it is a map of downtown New York in the early '80s - that moment before Bright Lights, Big City, before the art world exploded, before New York changed into a yuppie metropolis, while it still had a glimmer of bohemian life.

Marcus Wareing is a brilliant chef. His restaurant group Marcus Wareing Restaurants includes three critically-acclaimed restaurants – the two Michelin-starred Marcus at The Berkeley, as well as The Gilbert Scott and Tredwell ' s.

Relates the history of the tractor and shows the changes in design that have resulted in the diesel-powered giants of today.
