But when a stranger named Ethan appears, determined to protect Caspia and her brother from dangers he won't explain, she's not sure what to think. Strangers almost never come to Whitfield. They certainly don't follow her around, frightening her one moment and treating her like glass the next.

Father Don Hanway defines preaching as "an attempt to link the words of Holy Scripture with the lives of the hearers in such a way that both the words and the lives are illuminated." He demonstrates the definition in this collection of 40 sermons from the last fifteen of his 22 years ministering next to a state university in the nation's heartland. This volume was produced in response to entreaty from a few of the many who benefited from and contributed to the preacher's continuing education. He selected the sermons on the basis of originality, variety of season and occasion, centrality of the message of Good News for all people, and in many cases, reference to movies for illustrative

purposes. Preaching is a privilege, as well as a demanding profession. Church-goers seek an authentic word of hope and challenge that will help them make sense of their lives in a complex and fast-moving world. Respecting the time and intelligence of his listeners, and following the three-year lectionary of the Church, Dr. Hanway's sermons are lucid and concise, ranging over many topics, and infused with his personal witness to timeless truth and the reality of God's presence in our lives.

The 7 Angels of Peace is a living, breathing teaching from the heart. This book lifts the veil on the world of the Essenes and their angels, and the gifts of peace they have to offer us. A complete peace which embraces the seven aspects of our lives; our body and mind, relationships, work, beliefs, the Earth and our Divinity. Sarah Anne Barker brings to life this ancient teaching from the fresh perspective of the angels. As a spiritual teaching which is relevant for the modern world. This teaching is two thousand years old, that of the ancient Essenes and their angels. There have often been teachers of peace, but few have spoken of angels of peace, as the Essenes did. It offers a new vista to the eyes and hearts of those who read it. One of peace, joy and hope for new beginnings. One which empowers us to know we can each make a positive contribution to peace, with the angels. Based on the ancient Essene scrolls which were discovered last century, it is a handbook for peace. We are given the seven angel meditations which we can practise to create peace. A simple, daily meditation practice in which we can invite the angels into our lives for the purpose of peace.
