The Bible spells out God's plan for the ages in great detail through prophecies given thousands of years ago. In this book, Dr. David Reagan presents a panoramic survey of the fundamentals of Bible prophecy, with a focus on the prophecies that relate to the end times. In the process, he reveals God's plan for the redemption of mankind and ...

God's Grand Plan of the Ages - Bible411

God's Plan of the Ages is a classic statement of the dispensational understanding of God's design for human history. Louis T. Talbot clearly and reliably outlines a comprehensive view of the plan of God from the beginning of Genesis to the close of Revelation.

God's plan for the ages is made possible through this plan of salvation through His Son, Jesus Christ. As we examine this aspect of God's plan, I would like to answer several questions: Why was it necessary, as stated in this passage from Hebrews, for Jesus to come as a man?

### God's Plan for the Ages

"God's Grand Plan of the Ages" also covers the signs of the "Time of the End" prophecies in the book of Daniel (Daniel 12:1-4). Knowledge is being increased at an unprecedented rate in human history, ushering in the Brain Age of computers, medical breakthroughs, space exploration, and more.

Asserting that the only way to understand the details of God's word is to have a clear understanding of it as a whole, Talbot sets forth a comprehensive view of God's dealings with man from the beginning to the end of all things.

speculation. My story begins before time, and continues past the ages of time into eternity. It is an adult work, for some of mankind's descent into depravity cannot be sanitized. But it is also a fun work, as I bounce around from our perspective up to the heavenly realms and even down into hell itself. My purpose was not just to tell the story, but also to teach wisdom and to clarify the nature and character of God. I trust each reader will grow in relationship to the God of infinite love, as I have grown in the writing. Volume Five begins with the coming of Messiah to Earth - the Gospel story. It continues through the first few chapters of the book of Acts, and then skips to the book of Revelation - the Great Tribulation, Rapture, and Millennium. I conclude with a wildly speculative story of the ages beyond the Millennial Age, all the way into eternity when all things are reconciled with the eternal Father.

"God's Grand Plan of the Ages" captures the highlights of the more comprehensive book *The Divine Plan of the Ages*.

Though brief in nature, this 96-page booklet shares a satisfying explanation of age-old questions: Why does a God of love permit the evil we see in the world? Why are there tsunamis and earthquakes that kill thousands—and wars that kill millions? Why must we experience pain, heartache and finally death? When will God's Kingdom come and His will be "done on earth as it is in heaven?" "God's Grand Plan of the Ages" also covers the signs of the "Time of the End" prophesied in the book of Daniel (Daniel 12:1-4). Daniel's prediction that knowledge would be increased is happening before our very eyes as we see the Brain Age coming in at an unprecedented rate. Though technology has been a blessing in many ways, man's

selfishness and greed is also leading the world to an ever increasing "time of trouble, such as never was since there was a nation." What a comfort to know, that this trouble is a prophetic sign indicating that we are on the brink of the "Golden Age" that mankind has longed for since the dawn of history! God's Kingdom will be more wonderful, more glorious, more all encompassing, than all the dreams of philosophers, poets and sages. There will be a world of peace (Psalm 46:9) The healing of all the defects of humanity (Isaiah 35:5,6) Moral integrity will be planted in every heart (Jeremiah 31:33) All the dead of past ages will be raised to life again (1 Cor. 15:22) Sorrow, pain, tears and death itself will cease (Revelation 21:4) "No eye has seen, no ear has heard, no mind has conceived, what God has prepared for those who love him" (1 Corinthians 2:9) We hope you will receive a blessing from

Tribulation (God's Plan for the End of the Age) reveals the information God wants every Christian to know during the last days before Christ returns. In his follow-up book to "2028", R. H. Vargo gives you his insights on the coming events of the Tribulation, the timing for those events, and what the Lord expects of you during the last days of this age. He provides details of when Jesus will return, the antichrist's plans, the rapture, the mark of the beast, and all the end-time prophecies from Revelation are explored in verse-by-verse detail. The late twentieth century witnessed a

shift in the thinking and teaching of theologians on how to "rightly divide the word of truth (II Tim. 2:15)." This trend is continuing in the twenty-first century and is now being strenuously promoted by those who vehemently oppose traditional dispensational teaching. The greatest challenges to traditional Dispensational Theology in this present hour come from those who espouse the teachings of Reformed Covenant Theology and what has become known as Progressive Dispensationalism. The problem stems from the fact that there are some misconceptions about dispensational teaching that need to be addressed and some weaknesses concerning opposing viewpoints that need to be exposed. This challenge is not being vigorously confronted in the present hour because of the popularity and prominence of those who espouse these theologically divergent

systems and the reluctance of the proponents of dispensationalism to be labeled as divisive or fanatic.

The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century: his works are the source of many of the "prophecies" and "truths" end-times Christians hold to even today. This stupendous 1918 book-perhaps his greatest work-is the result of more than 30 years' worth of, the author informs us, "careful and patient study of the Prophetic Scriptures." Fully illustrated by charts describing God's plan for humanity, Dispensational Truth covers: Pre-Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world's seven great crises prophetic chronology the threefold nature of man the Book of Revelation five
