"As the title of our book suggests, we view the idea of government by the people as a defining element of American politics and government. From the Mayflower Compact to the Declaration of Independence to the expansion of rights and liberties to more and more citizens in the last century, we have expanded on the idea of self-government. Too often, Americans take their basic rights to life, liberty, and the pursuit of happiness for granted. But these rights were guaranteed neither by those who wrote our Constitution nor by the citizens who have worked, one generation after another, to expand these rights and set our government's course. Rather, government by the people today depends on citizens who are informed and involved in the decisions and processes of our constitutional democracy. We have written this book with the aim of informing you about why you have a stake in our government. In this edition, we have gone a step further to argue that you can have an impact on government at all levels if you understand how government works-what we call structure-and if you are willing to act on your knowledge. Our idea can be summarized as follows: knowledge of structure + action = impact. We will develop this focus in each chapter"--

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Updated in a new 24th edition Government by the People, National, State, and Local Edition demonstrates that politics matters by emphasizing the accomplishments of a government of the people, by the people, and for the people. Building on decades of authoritative scholarship, this completely updated text continues to offer accessible, carefully crafted, and straightforward coverage of the foundations of American politics, as well as a consistent focus on the achievements of a government by the people. The Alternate Edition includes the same coverage as the comprehensive version but without the chapters on policy.

Explores the foundations of state and local politics State and Local Government by the People is about the institutions and political forces that shape policymaking and policy outcomes. Viewing state and local governments as microcosms of what happens at the federal level, this text compares political systems and traditions across states and identifies trends and similarities that exist between them. The textshows students how government directly affects their lives and inspires them to become involved in their community. Learning Goals Upon completing this book, readers will be able to: Understand the development of state and local governments over time Understand the major challenges facing state and local governments today Explore how they can become involved in state or local politics Note: MySearchLab does not come automatically packaged with this text.

Money and politics in an election that broke the mold Beginning with the 1960 election, readers could turn to one book for an authoritative and comprehensive examination of campaign finance at the federal level. Now, the latest in this respected series, Financing the 2016 Election, explores the role of money in one of the most unconventional elections in modern American history. A team of leading scholars has dug into the roles played by political parties and special interest groups (including their “ Super PACS ” ) in the presidential and congressional elections of 2016. David Magleby and his team of experts examined Federal Elections Commission reports and interviewed dozens of key participants, including representatives of virtually all the major interest groups active in the 2016 election cycle. They place that election in the context of how U.S. elections have been financed during recent decades—a context that illustrates how dramatically different campaign finance is today from the past. Among the most important changes has been the growth of so-called Super PACS, which have become increasingly important both in the financing they provide candidates and in their ability to act independently, both for and against candidates. Overall, Super PACS doubled their spending in 2016 from four years earlier. Taking a comprehensive approach, this book helps readers understand how the financing of elections—including the increasing reliance by candidates on outside special interest groups—ultimately affects politics and public policy.

For today’s busy student, we’ve created a new line of highly portable books at affordable prices. Each title in the Books à la Carte Plus program features the exact same content from our traditional textbook in a convenient notebook-ready, loose-leaf version — allowing students to take only what they need to class. As an added bonus, each Books à la Carte Plus edition is accompanied by an access code to all of the resources found in one of our best-selling multimedia products. Best of all? Our Books à la Carte Plus titles cost less than a used textbook! Building on decades of authoritative scholarship, this completely updated text continues to offer accessible, carefully crafted, and straightforward coverage of the foundations of American politics, as well consistent focus on the achievements of a government by the people In an increasingly cynical world, GBTP emphasizes that politics matters and encourages, motivates, and even inspires students—with accounts of individual and collective acts of courageousness, intellect, and integrity in the political arena—to be effective and informed citizens. With each chapter now framed by nationally-selected learning objectives and chapter mastery self-tests, several compelling new features, and an all new contemporary design, this thoroughly updated Twenty-Third Edition continues in the book ’ s long tradition for excellence. The Brief Edition includes the same coverage as the comprehensive version, but in a more streamlined format. As we enter this very complex political era, there is no more reliable or more relevant text to help you advance your students from being simple onlookers to knowledgeable participants in the American political experience.
