Greeters will greet people as the approach the Atrium doors and record their contact information (Household name and phone number) for contact tracing purposes.

~~Greeter and Usher Guidelines – Corpus Christi, Chatham ...~~

Guidelines for Ushers and Greeters. We thank you for undertaking this ministry of service to the community. Too often ushers are considered to be “...those people who take up the collection.”. That is the most visible aspect of the duties of the usher, but not the most important. The primary role of usher is to provide assistance to the members of the congregation and thereby facilitate the full and active participation of the laity in the Mass.

duties of the usher, but not the most important. The primary role of usher is to provide assistance to the members of the congregation and thereby facilitate the full and active participation of the laity in the Mass. In addition to the ushers, greeters are chosen to serve as representatives of the faith community in

The Basics of Ministry series explores parish ministries that are vital to an active and meaningful eucharistic celebration. Each book provides useful material for the recruitment and training of new ministers. as well as insights to revitalize those who have been involved in ministry for years. The series includes introductions to specific ministries, brief histories, spirituality and instructions. You also will find a list of other resources, along with prayers and questions for discussion and reflection.

When is the best time to seat a latecomer? How can you be friendly to visitors without overwhelming them? What should you do if someone faints during the worship service? It's natural to have these questions as an usher or greeter. You can find the answer to these questions and more in Welcome to Our Church. This book will help ushers and greeters learn how to make visitors and members feel welcome, handle large crowds of people and noisy children, prepare for emergencies and problem situations, and usher special services like weddings and funerals.

What is an usher? He is the can do, will do, go-to guy for his pastor during the services at his church. He sets aside his personal desires to serve his pastor, the congregation, and the guests in attendance. He is the smile and extended hand of welcome as you enter the doors to his church. He's the guy ready with the answers to your questions or he knows where to get the answers. The professional manner in which he conducts himself creates a smooth and seamless worship experience for all those in his building. He's the watchman at the gate, keeping an eye out for dangers. He has a plan for when unforeseen circumstances arise. He is prepared to act decisively when called upon. He's the man who will show you to your seat and is entrusted to take up the offering. The decision to write this booklet came from the careful study of the somewhat-antiquated handout I have been giving my new ushers to read when they begin their role as an usher at our church. I ordered several more books on the subject to search for a book that embodied everything I wanted to instill in my team of ushers, but my search came up lacking. While these handouts and books were great literature, they did not quite offer the depth that I was looking to give to my ushers. Through this search, I found some to be more ritual than helpful, while others were very heavy on the theology of ushering and church boards but less practical. I wanted something practical and more to the point of how to deal with everyday circumstances in the role of an usher. I wanted to find a book that speaks more directly to the reader. Since my search result came up empty, I decided to write one myself. I approach this subject from over twenty years of ushering experience and thirteen years as a head usher. I also draw from my twenty-five years of working in industrial construction as what is called a Millwright and, for a time, as an Ironworker. During most of my time working in construction, I was the foreman on the job. Years later, I would take from these experiences and apply them in my role being the head usher of my church. After more than twenty years of being involved with various ministries in my church, all the while being a greeter and an usher, I can tell you that in my opinion and experience, being a greeter or being an usher is one of the most important ministries you can take part in at your church. Being an usher and/or a greeter is very rewarding and brings a substantial amount of joy if you approach it the right way. It can also be frustrating, heartbreaking, and at times, very intense. I have been the head usher in my church since 2007. I'm in charge of ushering, greeting, and security. I get to see many aspects of the ministry from various perspectives, and I will touch on all three areas in this book. My life verse is Psalms 84:10. It reminds me, every day, of where I want to be in my life and why I do what I do. "For a day in Thy courts is better than a thousand. I had rather be a doorkeeper in the house of my God, than to dwell in the tents of wickedness." Psalms 84:10 KJV

These pages are written to you, a church usher, as though we were talking face-to-face. The ideas in this book have been shared with me through the years by ushers like you. Some ideas will be familiar; a few will be new; but all will need to be translated into the way you do things in your church.

Dr. Buddy Bell, founder of Ministry of Helps International, combines humor with informative teaching and practical tips to help ushers realize the importance of serving people with excellence in the local church.

Ushers and greeters—ministers of hospitality—are vital to parishes so they need strong formation to comfortably and graciously respond to the needs of everyone who comes through the doors of your church. Solid training helps them become models of hospitality for the whole parish. This guide helps you train new and returning ministers of hospitality by providing knowledge, skills, and attitudes that are practical, theologically and liturgically-informed, and spiritually inspiring. With its new title, design, and added content, this revised edition is more helpful than ever. To Fr. Paul Turner's foundational chapters

on the meaning and history of the ministry and on the ministry's spiritual dimensions, a brief chapter on the liturgy by liturgist Corinna Laughlin has been added. To Karie Ferrell's practical and wise advice on the many detailed duties of the ministry, psychiatrist and spiritual director Thomas Welch has contributed some additional perspectives. Updates to frequently asked questions, the annotated list of recommended resources, and the glossary have added yet more value to the book, and questions for reflection and discussion continue to accompany each chapter. Let this guide help you open wide the doors of your church so that it can be, as Pope Francis has called for, a spiritual field hospital for our needy world. This guide includes: Theological and historical reflections on the liturgy and the ministry; Practical skill-building and advice for serving in this role; Ways to deepen your spirituality and call to discipleship; Answers to frequently asked questions; Recommended resources; A glossary; Questions for discussion and reflection

From the perspective of a veteran pastor and communicator, Dr. Leslie Parrott describes the function of the usher and provides practical guidelines on how this vital role in the church may be carried out with grace and efficiency. Not only does he apply scriptural principles, but he relies completely upon Scripture in his development of the various qualifications and duties of the usher. In this practical, how-to-do-it book, Dr. Parrott explains: - The Ministry of Ushering: what makes a good usher; why ushers are important - The Function of an Usher - The Authority and Responsibility of an Usher - The Usher as a Greeter -- Every church can have an effective usher corps -- and this group will be even more effective if based on The Usher's Manual.
