In *Habits of a Successful Band Director* Scott Rush provides: A how-to book for young teachers; A supplement for college methods classes; A commonsense approach to everyday problems band directors face; Sequential models for instruction that are narrow in scope; Solutions, in the form of information and probing questions, that allow assessment of a classroom situation; Valuable information in a new format and references to other helpful publications; A contemporary text for all band directors. Some of the topics covered in the ten chapters include: classroom organization and management, working with parents and colleagues, the importance of the warm-up, rehearsal strategies, selecting high-quality literature, and student leadership. The appendices provide valuable outlines and reproducible forms such as medical releases and pitch tendency chart.

Detailed summary and analysis of *The Power of Habit*.

"*Habits of a Successful Choir Director* presents effective teaching principles and provides a practical approach to everyday issues choir directors face. Building on the successful *Habits* series, Eric Wilkinson and Scott Rush have created a practical guide to all aspects of a successful choral program...This is a comprehensive book that will exponentially inspire as teaching skills grow. It will serve as a constant and essential companion throughout the career of any choir director" -- Back cover.

In this inspiring guide to successful leadership, New York Times bestselling author John C. Maxwell shares his tried and true principles for maximum personal growth. Are there tried and true principles that are always certain to help a person grow? John Maxwell says the answer is yes. He has been passionate about personal development for over fifty years, and for the first time, he teaches everything he has gleaned about what it takes to reach our potential. In the way that only he can communicate, John teaches . . . The Law of the Mirror: You Must See Value in Yourself to Add Value to Yourself The Law of Awareness: You Must Know Yourself to Grow Yourself The Law of Modeling: It's Hard to Improve When You Have No One But Yourself to Follow The Law of the Rubber Band: Growth Stops When You Lose the Tension Between Where You are and Where You Could Be The Law of Contribution: Developing Yourself Enables You to Develop Others This third book in John Maxwell's *Laws* series (following the 2-million seller *The 21 Irrefutable Laws of Leadership* and *The 17 Indisputable Laws of Teamwork*) will help you become a lifelong learner whose potential keeps increasing and never gets "used up."

"*Teaching Band and Orchestra: Methods and Materials* is a classic in the field of instrumental music education -- the ideal text for college instrumental students and an invaluable reference for practicing teachers. This book covers every critical area in the professional life of band and orchestra teachers at the beginning and secondary levels. Author Lynn G. Cooper shares the experience and knowledge he has gained

Online Library Habits Of A Successful Band Director

from more than 40 years of teaching instrumental music and music education ... This Second Edition is significantly expanded and updated, including major new sections on advocacy, technology, and the challenges of teaching middle school students. There are new suggestions for teaching strings, completely new and expanded string and full orchestra literature lists, and more suggestions for the non-string player who is assigned a string class. Also included in this Second Edition are additional student assessment strategies, updated Suggested Band Literature Lists, and more examples of effective warm-up and technique-building literature for rehearsals. Teaching Band and Orchestra: Methods and Materials also goes into detail about the administrative realities of being a music teacher, from the job search to fundraising to motivating your students. A plethora of forms, sample letters, charts, and lists of suggested literature round out this enlightening text. Sample course syllabi and additional supplemental resources are available online. Teaching Band and Orchestra: Methods and Materials provides instrumental music teachers with the tools necessary to be successful in the classroom or on the podium."--Jacket.

Recordings of works composed for band and suitable for grades 2-5.

(Instructional). "There is only one Eddie Green and, without question, his name is permanently etched in band history." On Teaching Band includes: An extensive, insightful interview with Eddie Green on his early career and development of his teaching methods Comprehensive, step-by-step techniques for all aspects of beginning wind instruction Guidelines for organizing a band program Tips on resumes, interviews, and securing a position Practical advice on relationships with administrators, parents, and colleagues
