The Law of Manifestation is a book about the supernatural journey of a Christian and the anointing of God. Author Sagoe-Nkansah explains how cooperating with the anointing can make the hidden reality of God visible and tangible. Today, we want physical proof God is involved in our daily lives, but since biblical times, the reality is God is invisible and God is intangible. We cannot see God. We cannot touch God. The solution to God's invisibility is shown through His anointing. Christianity relies on the anointing of the Holy Spirit. The essence of The Law of Manifestation teaches how God's anointing operates by a specific universal law and how the ordinary believer can cooperate with it to visibly show man God's intangible and invisible glory. What is the law of manifestation? The Holy Spirit is the "hand of God." What is the hand of God? How does God show His power?
