These are some of the best-loved tales from the Quran and from the life of the Prophet Muhammad. Especially chosen for the very young, they provide a foundation on which to build a growing knowledge of the scriptures. This is story-telling at its best, with the meaning and message expressed in the simplest of words. As well as being easy to understand, these stories are also fun to read and share with others. Colourful, child-friendly illustrations complement the text and bring the stories vividly to life.

Engaging, Colorful, and Fun Islamic book for kids This book is not like other Islamic books for children under 3! It is filled with good Islamic morals, manners, and stories that introduce your Toddler to essential Islamic Foundations. "My First Islamic Book for Children under 3" has been created in recognition of the need for books that tell the stories of Islam for small children. Most of the Islamic educational and storybooks for children available today are either lacking in authenticity or are written in a language that is difficult for young children to understand. "My First Islamic Book for Children under 3" is written in a way that toddlers and pre-school age children can easily understand. The author made these stories as authentic as possible by taking stories and information from the Quran, Tafseer Ibn Katheer, Bukhari, Muslim, and other authentic Hadith books and simplifying the language and adding context that children can understand, without changing the intended meaning. This simple language results from an interactive reading process between the author and her then three-year-old son. The author kept editing and simplifying the text until her son was able to understand it easily. About the Author Julia Hanke was born and raised in Germany. She converted to Islam at the age of 17 and took the name Hafsa to have a Muslim identity. Hafsa studied Education and Islamic Sciences at a famous German University. At the moment, she is homeschooling her three children. Well suited for Babies, Toddlers, Preschoolers, and even very beneficial for children up to 10 years of age! Teach your children who Allah is, His authentic Names and Attributes, and what they mean for every Muslim. Which morals and lessons can we draw from Allah’s Names and Attributes? Which name should we use in which dua in which situation? Find out in this book. A must-read for every Muslim.
