Lust isn't just a guy problem - it's a human problem. And unless we honestly confront it, lust will destroy our relationships and our lives. Joshua Harris, author of the runaway bestseller I Kissed Dating Goodbye, calls a generation bombarded with images of sexual sin back to the freedom and joy of holiness. This "PG-rated" book - straightforward without being graphic - speaks to those entrenched in lust or just flirting with temptation. Honestly sharing his own struggles, Harris exposes lust's tactics and helps readers create a personal plan for fighting back. Men and women will find hope in God's grace and learn the secrets to lasting change. Neither sex nor sexuality is our enemy. We need to rescue our sexuality from lust so we can experience it as God intended. Bestselling author Joshua Harris shows you how lust deceives you. Specific and honest without being graphic, this book-for both men and women-will guide you in creating a custom plan for fighting lust and celebrating purity. Praise for Sex Is Not the Problem (Lust Is) "For your joy and Christ's honor, I commend this book to you. It is realistic, practical, and hope-giving." -John Piper, pastor of Bethlehem Baptist Church, Minneapolis "A beautiful blend of grace and truth." Joshua Harris raises high standards of holiness while carefully avoiding legalism. I highly recommend it." -Randy Alcorn , bestselling author of The Treasure Principle and The Purity Principle "I am very encouraged that my longtime friend Josh Harris has written a book about lust. May God use this book to keep many from allowing their minds to become 'the devil's playground.'" -Rebecca St. James, singer/songwriter Story Behind the Book "I was preparing a message on lust when I realized that the book I wanted to consult hadn't been written. That book would make it clear that only Jesus Christ can free us from the hopeless treadmill of shame and guilt that so many well-intentioned people end up on. It would instill a love for holiness and a hatred for sin without dragging the reader's imagination through the gutter. And it would be for both men and women, because I've learned that lust isn't just a guy problem-it' s a human problem." -Joshua Harris

Dating. Isn't there a better way? Reorder your romantic life in the light of God's word and find more fulfillment than the dating game could ever give - a life of purposeful singleness.

Joshua Harris's first book, written when he was only 21, turned the Christian singles scene upside down...and people are still talking. More than 800,000 copies later, I Kissed Dating Goodbye, with its inspiring call to sincere love, real purity, and purposeful singleness, remains the benchmark for books on Christian dating. Now, for the first time since its release, the national #1 bestseller has been expanded with new content and updated for new readers. Honest and practical, it challenges cultural assumptions about relationships and provides solid, biblical alternatives to society's norm.Clear, stylish typeset, with user-friendly links to referenced Scripture.

Are you ready to respond to the most relevant questions of sexuality today? Lifetime monogamy is passé. Pornography infiltrates nearly every home. Homosexuality is accepted. Lust has been redefined. The family as an institution is questioned. We are reminded every day that assumptions about what is right and wrong, sexually, are different today than they were fifty-or even ten-years ago. Christian principles that formed the pattern for generations of American families are conspicuously absent. What happened and why? How do we respond to the dramatic shift in our culture's perspective on sex? As one of today's most influential thinkers, Dr. Albert Mohler addresses these critical topics in a thoughtful, cut-to-the-chase style in Desire and Deceit. As you follow Mohler's guidance in applying biblical solutions to today's most highly charged issues, you will be not only equipped but also inspired to speak the truth in a society hungry for answers.

Discusses the sin of lust and faith-based countermeasures, including how to create a personal plan for fighting back.

Purpose Driven Romance The last thing singles want is more rules. But if you're looking for an intentional, God-pleasing game plan for finding a future spouse, Joshua Harris delivers an appealing one. A compelling new foreword, an all-new "8 Great Courtship Conversations" section, and updated material throughout makes this five-year revision of the original Boy Meets Girl a must-have! Harris illustrates how biblical courtship-a healthy, joyous alternative to recreational dating-worked for him and his wife. Boy Meets Girl presents an inspiring, practical example for readers wanting to pursue the possibility of marriage with someone they may be serious about. Are you ready for "romance with purpose"? If you're fed up with self-centered relationships that end in disillusionment, it's time to rethink romance. Finding the loving, committed relationship you want shouldn't mean throwing away your hopes, your integrity, or your heart. In Boy Meets Girl, Joshua Harris -the guy who kissed dating goodbye-makes the case for courtship. As old-fashioned as it might sound, courtship is what modern day relationships desperately need. Think of it as romance chaperoned by wisdom, cared for by community, and directed by God's Word. Filled with inspiring stories from men and women who have rediscovered courtship, Boy Meets Girl is honest, romantic, and refreshingly biblical. Keep God at the center of your relationship as you discover how to: • Set a clear course for your romance • Get closer without compromise • Find support in a caring community • Deal with past sexual sin • Make the right decisions about your future New! Courtship Conversations Eight ideas for great dates that will help grow and guide your relationship. Story Behind the Book "I wrote I Kissed Dating Goodbye to challenge singles to drop the worldly approach to serial dating and reconsider the way they pursued romance in light of God's Word. Since then, I've received letters asking questions like, So, what comes between friendship and marriage? and, How can you know when you are ready for marriage? Boy Meets Girl answers those questions. Now as a happily married man I can look back on my courtship with Shannon and see from personal experience that God is faithful. If you trust Him enough to wait on romance in dating, He will lovingly guide you as you pursue it in courtship...right to that wonderful moment when you kneel together at the altar." - Joshua Harris

These three short prophetic books of the Old Testament each contain a dual message. On one hand are messages of impending judgment-for all peoples on the Day of the Lord, for an enemy of Israel, and for Israel herself. On the other hand are messages of great hope-of the pouring out of God's Spirit, of restoration and renewal, and of a coming Messiah. Placing judgment and hope together in such a manner may seem paradoxical to a contemporary mindset. But the complete message of these prophets gives a fuller picture of God-who despises and rightly judges sin and rebellion, but who also lovingly invites people to return to him so that he might bestow his wonderful grace and blessings. It is a message no less timely today than when these books were first written, and David W. Baker skillfully bridges the centuries in helping believers today understand and apply it. Most Bible commentaries take us on a one-way trip from our world to the world of the Bible. But they leave us there, assuming that we can somehow make the return journey on our own. They focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable-but the job is only half done! The NIV Application Commentary Series helps bring both halves of the interpretive task together. This unique, award-winning series shows readers how to bring an ancient message into our postmodern context. It explains not only what the Bible meant but also how it speaks powerfully today.

Now updated, revised, and expanded with new topics.
