China's engagement in Africa is generally portrayed simply as African countries being exploited for their mineral wealth by a wealthy political and economic superpower. Is this always the case? Certain African countries have been able to use China's involvement in the region to grow their economies and solicit renewed interest from previously disengaged foreign powers by using their relationship with China to bolster their political capital. In this thought provoking and original work Lucy Corkin demonstrates how Angola has been amongst the most successful of African nations in

Guide. The concept of 'African agency' covers a wide range of different countries with very different capabilities and experiences of engaging with China. In each individual county there are a myriad of actors all with increasingly discernible agencies. Uncovering African Agency; Angola's Management of China's Credit Lines casts a fascinating new light on China's involvement with her largest African trading partner and through this shows how different African states and the governmental actors within them are able to exploit the relationship to their best advantage.

Being a parent is usually all about giving of yourself to foster your child's growth and development. But what happens when this isn't the case? Some parents dismiss the needs of their children, asserting their own instead, demanding attention and reassurance from even very young children. This may especially be the case when a parent has narcissistic tendencies or narcissistic personality disorder. From the author of *Working with the Self-Absorbed* and *Loving the Self-Absorbed*, this major revision of a self-help classic offers a step-by-step approach to resolving conflict and

building a meaningful relationship with a narcissistic parent. Children of the Self-Absorbed offers clear definitions of narcissism and narcissistic personality disorder to help you identify the extent of your parent's problem. You'll learn the different types of destructive narcissism and how to recognize their effects on relationships. With the aid of proven techniques, you'll discover that you're not helpless against your parent's behavior and that you needn't consider giving up on the relationship. Instead, realistic strategies and steps are suggested for learning to set mutually agreed upon behaviors that can help you fulfill your needs and expectations.
