"An empowering and timely story about resistance." —Booklist Princess Academy meets Megan Whalen Turner in this stunning novel about a girl who won't let anything tame her spirit—not the government that conquered her people, and definitely not reform school! Malley has led the constables on a merry chase across her once-peaceful country. With her parents in prison for their part in a failed resistance movement, the government wants to send her to a national school—but they'll have to capture her first. And capture her they do. Malley is carted off to be reformed as a proper subject of the conquering empire, reeducated, and made suitable for domestic service. That's the government's plan, anyway. But Malley will not go down without a fight. She's determined to rally her fellow students to form a rebellion of their own. The government can lock these girls up in reform school. Whether it can break them is another matter entirely...

But when Nora receives word that the child she lost twenty years ago is alive and in England, ancient heartache threatens to destroy their idyll. To salvage their love, they must come to a deeper understanding of who they are—in the world, and to one another. Nora must learn to overcome the dark shadows of her past. Vanessa must learn to put others' needs before her own. And Nora's stubborn daughter must find it in her heart to forgive the mother she thought abandoned her. This unconventional family must rely on the powerful links of love and mercy to bind them back together.

In this coming-of-age novel perfect for fans of Susane Colasanti and Jandy Nelson, a straight-A student in a family of free-spirited artists must face the hard truths about those she loves most. Very Sayles-Woodruff could find the value of x with her eyes closed . . . but interpreting her mother's renowned paintings or her famous grandmother's poems don't come as easily. Even her younger sister, Ramona, has the same artistic leanings as the rest of their family. Very has always been the dependable, responsible one—until her grandmother becomes terminally ill, causing all of the pieces of Very's once-structured life to come crashing down. Now she's cast aside her steady boyfriend and started an unexpected fling with Dominic, a rebellious art student with a bad reputation. Things at home have also taken a turn. Although he adores both of his loving mothers, and his vivacious twin sister with her two husbands, he wants a wife. One wife. Full stop. Is that so much to ask? Miss Selina Ashby appears to be everything Archie has always wanted in a marchioness: demure, soft-spoken, and pretty, with a quick mind and delectable humor. Yes, she is a bit forward, but he chalks that up to youth. Yes, she has a very particular friend in Beatrix Farnsworth, but he chalks that up to loyalty. He is a lord; she is a lady; they are in love. And so they marry. That should be the end of it. But when Archie discovers that his wife is as passionate with her particular friend Beatrix as he is with his particular friend Christopher, his world is shattered. He must decide if Selina's love is big enough for both of them—and whether normalcy is truly more important than the love he feels for both the man and the woman who have become so dear to him.
