In 2003 I wrote a book called An Eye For An Eye as a World Book Day special edition. The story timeline occurs after Noughts & Crosses but before Knife Edge. As the book only had limited availability after the year of its publication and because both I and my publisher have had so many requests for it, the story is now included at the back of this new edition.

Just this once . . . Please let me get away with it just this once . . . Tobey wants a better life - for him and his girlfriend Callie Rose. He wants nothing to do with the gangs that rule the world he lives in. But when he's offered the chance to earn some money just for making a few 'deliveries', just this once, would it hurt to say 'yes'? One small decision can change everything . . . The fourth novel in Malorie Blackman's powerful Noughts & Crosses sequence.

From New York Times bestselling author Clare Mackintosh comes a deeply moving and page-turning novel about an impossible choice—and the two paths fate could take. “A beautifully

## Download Free Read Online Hostage By Malorie Blackman

written novel, compelling and clever, tender and true. I can't stop thinking about it."—Liane Moriarty "Tailor-made for book clubs and for fans of Jodi Picoult."—Publishers Weekly Max and Pip are the strongest couple you know. They're best friends, lovers—unshakable. But then their son gets sick and the doctors put the question of his survival into their hands. For the first time, Max and Pip can't agree. They each want a different future for their son. What if they could have both? A gripping and propulsive exploration of love, marriage, parenthood, and the road not taken, *After the End* brings one unforgettable family from unimaginable loss to a surprising, satisfying, and redemptive ending and the life they are fated to find. With the emotional power of Jodi Picoult's *My Sister's Keeper*, Mackintosh helps us to see that sometimes the end is just another beginning.

"The new high concept thriller from the author of *The Passengers* and the word-of-mouth sensation *The One*, soon to be a Netflix original series. In the 21st century, information is king. But computers can be hacked and files can be broken into - so a unique government initiative has been born. Five ordinary people have been selected to become "minders" - the latest weapon in thwarting cyberterrorism. Transformed by a revolutionary medical procedure, the country's most classified information has been taken offline and turned into genetic code implanted inside their heads. Together, the five know every secret - the truth behind every government lie, conspiracy theory and cover up. In return, they're given the chance to leave their problems behind and a blank slate to start their lives anew. But not everyone should be trusted, especially when they each have secrets of their own they'll do anything to protect..."--

“Challenging, inspiring and practical.” Bear Grylls “I can’t think of anyone more qualified to write about the significance of knowing your purpose than my friend Ken Costa... His new book, *Know Your Why*, is absolutely foundational to living a purpose driven life.” Rick Warren “Among the crush and the rush of life, there's no better guide in the pursuit of getting it right than my friend Ken Costa... I highly recommend *Know Your Why*, and am confident you will see more clearly and live more purposefully after absorbing the wisdom in its pages.” Louie Giglio, Pastor, Passion City Church, Passion Conferences “This is an important and timely book. In a world of seemingly endless options, discerning the voice of God can be an increasingly difficult task. Ken draws on decades of experience to help Christians cut through the confusion and distractions and live lives in tune with God.” Andy Stanley, Senior Pastor, North Point Ministries “There are few people on this planet that I find more fascinating than Ken Costa. His capacity for business is only outweighed by his affection for the local church; and he has beautifully modelled to a generation what it means to live out your calling and build the Kingdom.” Brian Houston, Global Founder and Senior Pastor of Hillsong Church Are you working for cash, a career, a cause—or a calling? “Why do you do what you do?” People work for a variety of reasons. For many, the primary purpose of their work is cash. Their principal motivation is the paycheck that funds their everyday needs. Their work is a means to an end. Others are motivated by ambitions for a career, to move up the professional ladder and expand their experience, becoming more skilled in a particular area. Still others work for a cause, believing in the wider purpose of their work, attempting to make a difference in the world—to leave a mark in some way. All of these are legitimate motivations. However, missing from all three is any sense of the value of work itself. The focus is on the output of the workplace,

## Download Free Read Online Hostage By Malorie Blackman

rather than valuing the input. What we need is calling. Those who see their work as a calling experience a rich integration in their lives. They sense a purpose, a direction to their activities. Work has intrinsic meaning, rather than being simply a means to an end. In many ways this is precisely what the Spirit of God does in our lives. When we are in the flow of the Spirit, we are cooperating fully in our God-given callings. When people embrace their callings, they love their work, can manage inevitable tensions that arise, and are welcomed by their colleagues, who sense that there is something beyond the cash or career objectives. But how do we get there? Know Your Why is written with one objective: to help you find your life's calling so that you can be more satisfied, fulfilled, and happier at work. "You did not choose me, but I chose you and appointed you so that you might go and bear fruit—fruit that will last." —John 15:16 NIV

**AN INSTANT NEW YORK TIMES BESTSELLER** From #1 New York Times bestselling author Karen Kingsbury comes a heart-wrenching and redemptive story about a couple desperately waiting to bring their adopted child home and a young mother about to make the biggest decision of her life—a story about love, faith, and what it really means to be a family. Cole Blake, son of Landon and Ashley Baxter Blake, is months away from going off to college to kickstart the great plan he has been dreaming about for years—a career in medicine. But as he starts his final semester of school he meets Elise, a mysterious new girl who captures his attention—and heart—from day one. Elise has her heart set on mending her wild ways and becoming the good girl she used to be. But not long after the semester starts, she discovers she's pregnant. Eighteen and alone, she shares her secret with Cole. Undaunted by the news, and in love for the first time in his life, Cole is determined to support Elise—even if it means

## Download Free Read Online Hostage By Malorie Blackman

skipping college so he can marry her and raise another man's baby. When Elise decides to give the baby up for adoption, she is matched with Aaron and Lucy Williams, who moved to Bloomington, Indiana, in the hope of escaping the loss and emptiness that seven painful years of trying to start a family has brought them. But as her due date draws near, Elise becomes more and more torn. She knows she has two weeks after the birth of her daughter to change her mind. With Cole keeping vigil and Lucy and Aaron waiting to welcome their new baby, Elise makes an unexpected decision—one that changes everyone's plans.

With beautiful cover illustration by Alex T. Smith, creator of the Claude series, Dial a Ghost is a wonderfully spooky young fiction title from the award-winning author of Journey to the River Sea, Eva Ibbotson. 'Get me some ghosts,' said Fulton Snodde-Brittle. 'Frightful and dangerous ghosts!' Fulton has gone to the Dial a Ghost agency with an evil plan. He wants to hire some truly terrifying ghosts to scare his nephew Oliver to death. The Shriekers are the most violent and sickening spectres the agency has, but a mix-up means the kind Wilkinson ghosts are sent in their place. Now Oliver has some spooky allies to help him outwit the wicked Snodde-Brittles

...

Rose and Michael are good students with bright futures. They are also in love. But when Rose gets pregnant, her behavior becomes increasingly strange as she pulls away from her best friend, and from Michael, while she struggles to cope with her predicament. Rose cannot admit that she is pregnant ("If I say it, it will come to be true."). She moves from denial to ineptly trying to terminate her pregnancy, to believing that she has miscarried, while deep inside, she

## Download Free Read Online Hostage By Malorie Blackman

is on a mental and emotional downward spiral. Meanwhile, Michael, in his confusion, desperation to help and fear of the wrath of his controlling father, sinks into his own kind of small madness. Inspired by the story of two teens in the US who were arrested for hiding the girl's pregnancy and later disposing of the baby, Touchell says, "When I saw them on TV I was amazed to see they looked like normal kids. They were from good families; they just looked destroyed... . I thought, there's more than one victim here; what went on with these kids and why did they think they had no one to go to?" This is a moving and powerfully written novel told from the alternating viewpoints of Rose and Michael with compassion and a gentle touch. It is an honest, unflinching look at the complex world of young readers.

**\*\* NOW A MAJOR NEW BBC TV SERIES - this edition contains an exclusive Q&A with lead actor Paterson Joseph\*\*** 'The Noughts & Crosses series are still my favourite books of all time and showed me just how amazing story-telling could be' - Stormzy 'Stop it! You're all behaving like animals! Worse than animals - like blankers!' Sephy is a Cross: dark-skinned and beautiful, she lives a life of privilege and power. But she's lonely, and burns with injustice at the world she sees around her. Callum is a nought: pale-skinned and poor, he's considered to be less than nothing - a blanker, there to serve Crosses - but he dreams of a better life. They've been friends since they were children, and they both know that's as far as it can ever go. Noughts and Crosses are fated to be bitter enemies - love is out of the question. Then - in spite of a world that is fiercely against them - these star-crossed lovers choose each other. But this is love story that will lead both of them into terrible danger . . . and which will have shocking repercussions for generations to come. Voted as one of the UK's best-loved books, Malorie

Blackman's Noughts & Crosses is a seminal piece of YA fiction; a true modern classic. 'Unforgettable' Guardian 'The most original book I've ever read' Benjamin Zephaniah

Jamie Carpenter's father is dead, his mother is missing, and he was just rescued by an enormous creature named Frankenstein. Now Jamie is pulled into a secret organization responsible for policing the supernatural, founded more than a century ago by Abraham Van Helsing. . . . Department Nineteen takes us through history, across Europe, and beyond - from the cobbled streets of Victorian London to prohibition-era New York, from the icy wastes of Arctic Russia to the treacherous mountains of Transylvania. Part modern thriller, part classic horror, it's packed with mystery, mayhem, and a level of suspense that makes a Darren Shan novel look like a romantic comedy.
