**13th Edition**

T. Schaefer helps students view race and ethnic relations in a socio-historical context, so they can understand the past and best shape the future. The text's student-friendly framework is packed with engaging first-person accounts that illuminate the changing dynamics of the U.S. population, and reveal the stories behind these changes. Incorporating the latest statistics and data, *Racial and Ethnic Groups* enables educators to stay current in this ever-changing area of study. Also available with MySocLab

MySocLab for the Race and Ethnicity course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. And the Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MySocLab does not include an

eText. Racial and Ethnic Groups, Fourteenth Edition is also available via REVEL(tm), an immersive learning experience designed for the way today's students read, think, and learn. Learn more.

Three basic premises guide this highly successful introductory text - first that theory and research must be both comprehensive and clear, second that the text must show how sociology is relevant both to the study of society and to students' lives, and third that sociology can play a valuable role in teaching critical thinking skills. To that end, this solid, well-respected text combines a balanced three-perspective approach with excellent student-oriented examples, and distinctive social policy sections in a concise presentation that offers an alternative to full-length books.

Make Sociology new with McGraw-Hill's
