Miller Test Prep's study guide for the TSI is the solution for students who want to maximize their score and minimize study time. Our study guides are carefully designed to provide only that clear and concise information you need. That's precisely why we put "Clear & Concise" on our cover. The standard for the study guide industry is to "throw in the kitchen sink" when it comes to making a book, meaning you are stuck with hundreds of pages of repetitive information, redundant and confusing examples, and more practice questions than any person could be expected to work through. This results in students feeling overwhelmed, leading to reduced self-confidence, which leads to lower scores! Instead, Miller Test Prep has worked specifically with tutors. Why tutors you ask? Tutors specialize in helping students comprehend information that has already been presented by a teacher. That means they see time and again what students struggle with and what actually works to help them. They specialize in helping students who have previously failed, to succeed. We compiled their decades of experience helping students just like you into this study guide, so you pass the first time! In this TSI guide book, we ensure you are thoroughly prepared for this critically important test: Comprehensive review of all TSI exam

The Texas Success Initiative is a required college entrance exam for students entering college in the state of Texas. Our TSI Reading and Writing Study Guide covers all of the skills assessed on the actual TSI exam. The study guide contains three full-length reading and writing practice tests, as well as an essay writing guide. The reading passages in the guide are of the same format and difficulty level as the real TSI. There is a section that contains shorter reading passages, a section in which two passages are read and then compared, and a final section containing literary texts. The writing part of the study guide also emulates the actual TSI exam since it has an initial section containing a longer passage with grammar
