Effective Leadership in the Church

The question goes something like this: "Is there a difference between discipleship and leadership?" In your experience I wonder if you have found that discipleship and leadership bleed into each other. I actually had a leader ask the question and it caused me to reflect – my initial response was "Yes, there a difference.". One simple distinction is that discipleship focuses on ...

The Discipleship and Leadership Workbook is designed as a stand-alone or companion to other workbooks in the Leadership Development Series. The Leadership Development Series is based on Jesus' teaching that, "true worshipers will worship the Father in spirit and truth..." (John 4:23, NIV). True worshipers are disciples who make other disciples [The Discipleship and Mentoring Workbook] by worshipping in spirit [The Spirit-Empowered Leader Workbook] and truth [The Bible-Centered Leader Workbook]. The Discipleship and Leadership Workbook serves as an introduction to discipleship and leadership. The other workbooks in the Leadership Development Series will allow you to explore in more depth themes covered in this workbook.

The Discipleship and Mentoring Workbook is designed to help leaders establish a biblical understanding of discipleship and disciple-making (spiritual mentoring) for life and leadership. This workbook is part of The Leadership Development Series of workbooks designed to facilitate "transformational learning" for establishing a foundation that will stand the test of time and help us to meet the challenges of learning how to be "lovers in a dangerous time" (musician Bruce Cockburn). Jesus stated that, "God is spirit, and his worshippers [Disciples and Mentors] must worship in Spirit [Spirit-Empowered] and in truth [Bible-Centered]" John 4:24, NIV. From this passage I developed The Leadership Development Series that includes this workbook plus The Bible-Centered Leader Workbook; The Spirit-Empowered Leader Workbook; and The Discipleship and Leadership Workbook (that is a "best of" or introductory overview of the content in the other three workbooks in this

series for younger emerging leaders). The Discipleship and Mentoring Workbook is designed as a stand-alone and/or companion to other workbooks in this series. Each of these workbooks is formatted using the IDEA approach to transformational learning. The goal of the IDEA approach is to facilitate the "gracious work" of God through his word and spirit to transform us "into his likeness with ever increasing glory..." (II Corinthians 3:18, NIV) Each chapter will begin with an Introduction (I) followed by Discovery (D), Explanation (E), and Application (A) sections. Each chapter can be worked through as a unit or in sequence as a whole with a variety of process options including individual, small groups, and various course applications. Take your time and prayerfully and carefully read, study, discuss, apply, and evaluate your progress. Remember that becoming a disciple and mentor is not an objective as much as it is a process or lifestyle. We do not obtain these as much as we become them. Over the years, we will be transformed by God (discipleship) in order help others (spiritual mentoring) in their transformation process.

"Authors Eric Geiger and Kevin Peck argue that churches that consistently produce leaders have a strong conviction to develop leaders, a healthy culture for leadership development, and helpful constructs to systematically and intentionally build leaders. All three are essential leaders to be formed through the ministry of a local church."--Back cover.

The Spirit-Empowered Leader Workbook was designed to help leaders establish a biblical understanding and experience of the Holy Spirit filled and empowered life for effective leadership. Jesus told his disciples: I tell you the truth, anyone who has faith in me will do what I have been doing. He will do even greater things than these, because I am going to the Father." (John 14:10-12, NIV, italics added) An understanding of the nature, role, and empowering of the Holy Spirit is essential if we are to be like Jesus, do what he did, and do even "greater works" than he did by fulfilling the Great Commission through demonstrating and communicating the gospel of the kingdom to all nations. This is what we will attempt to do as we work through this workbook. Each of these workbooks is formatted using the IDEA approach to transformational learning. The goal of the IDEA approach is to facilitate the "gracious work" of God through his word and spirit to transform us "into his likeness with ever increasing glory..." (II Corinthians 3:18, NIV) Each chapter will begin with an Introduction (I) followed by Discovery (D), Explanation (E), and Application (A) sections. Each chapter can be worked through as a unit or in sequence as a whole with a variety of process options including individual, small group, and various course applications. The Spirit-Empowered Leader Workbook is designed as a stand-alone or a companion to other workbooks in The Leadership Development Series. Other workbooks in this series include The Bible-Centered Leader Workbook; The Discipleship and Mentoring Workbook; and a "best of" or introductory workbook for younger emerging leaders entitled The Discipleship and Leadership Workbook. Take your time and prayerfully and carefully read, study, discuss, apply, and evaluate your progress. Remember that becoming a spirit-empowered leader is not an objective as much as it is a process or lifestyle. It is not something we get, but something we become over time. Over the years we will be transformed by God and empowered to "be" about the Father's business (Luke 2:49).

Maybe you've shied away from leadership because you don't know what it will involve, or you feel too unsure of your own abilities. But your leadership is needed! Designed to work well on your own, with a partner or with a group, this twelve-session workbook is the essential preparation tool for those who would be led and shaped by Christ to lead others with strength and wisdom.

This set includes all three books of the J. Oswald Sanders' spiritual growth series: *Spiritual Leadership*, *Spiritual Discipleship*, and *Spiritual Maturity*. In *Spiritual Leadership*, J. Oswald Sanders, a Christian leader for decades and the author of more than forty books, presents the key principles of leadership in both the temporal and spiritual realms. He illustrates those principles throughout with examples from godly figures like Moses, Nehemiah, the apostle Paul, David Livingstone, Charles Spurgeon, and others. With more than 1 million copies sold, this proven classic will help you to frame your leadership as spiritual service. In *Spiritual Discipleship*, Sanders points out that true discipleship is more than intellectual assent to a belief in Christ; it involves the whole person and lifestyle. This book will help you embody that truth. It examines Jesus' teaching on what it means to follow Him, helping you become the kind of Christian Jesus wants you to be—not one devised by man or even other Christians. For anyone who wants to be not just a believer in Christ, but an imitator of Him, this book is a treasured resource. In *Spiritual Maturity*, Sanders explores the primary source of continual growth. In three parts, structured around the persons of the Trinity, he provides clear direction for those desiring to grow strong spiritually. Complete with scriptural principles for spiritual development and study questions at the end of the text, this classic handbook is a timeless treasure.

"A must-read for every leader." —Dan T. Cathy, Chairman and CEO at Chick-fil-A, Inc. Preston Poore has spent decades in corporate America. Despite all the excellent advice he was given for growing in leadership, there was something missing: a way to bring his Christian beliefs to bear in his professional life, not just his personal life. So Preston sought his own answer to how his faith could impact his management of hundreds of employees. What he discovered was this: the first step wasn't adjusting his leadership style. Instead, he needed to let God change him before he could effect real change in his workplace. And in order to model discipleship to his team, he needed to first be disciplined by the Spirit. Here, in the day-to-day practice of being a disciple of Jesus Christ, Poore found where his faith and exceptional leadership intersect. Through personal stories, biblical principles, and hands-on workplace guidance, Poore offers readers a unique look at this seldom-discussed connection. He challenges struggling leaders to engage in the hard work of daily discipleship. And he charges experienced leaders to return to the fundamentals of their faith, encouraging them to disciple other Christians with leadership potential. For anyone wrestling with how to bring faith to the workplace, whether it be a cubicle or a boardroom, *Discipled Leader* reveals that leadership doesn't begin behind the desk—it begins in the soul.

"Take time and trouble to keep yourself spiritually fit." — 1 Tim. 4:7, J. B. Phillips Translation As J. Oswald Sanders points out, true discipleship is more than intellectual assent to a belief in Christ; it involves the whole person and lifestyle. True disciples pursue their Master. They know that God is watching over their faith, but they also take Scripture's command seriously: "work out your own salvation with fear and trembling, for it is God who works in you." They take pains, by His power, to look more and more like Jesus. This book will help you to be such a disciple. It examines Jesus' teaching on what it means to follow Him, helping you become the kind of Christian Jesus wants you to be—not one devised by man or even other Christians. You'll learn: The profile of an ideal disciple Conditions for discipleship The tests that disciples endure How disciples pray and grow The posture and practices of a disciple And more For anyone who wants to be not just a believer in Christ, but an imitator of Him, this book is a treasured resource. Includes questions for reflection, ideal for both individual and group study.

The global church is facing a discipleship crisis. Here is how we move forward. Pastors and church leaders want to see lives changed by the gospel. They work tirelessly to care for people, initiate new ministries, preach creatively, and keep up with trends. Sadly, much of this effort does not result in deeply changed disciples. Traditional discipleship strategies fail because they do not: Slow down people's lives so they can cultivate a deep, personal relationship with Jesus. Challenge the values of Western culture that have compromised the radical call to follow the crucified Jesus. Integrate sadness, loss, and vulnerability, leaving people defensive and easily triggered. Measure our spiritual maturity by how we are growing in our ability to love others. In *Emotionally Healthy Discipleship*, bestselling author Pete Scazzero lays out how to create an emotionally healthy culture and multiply deeply-changed people in every aspect of church life—including leadership and team development, marriage and single ministry, small groups, preaching, worship, youth and children's ministry, administration, and outreach. Complete with assessments and practical strategies, *Emotionally Healthy Discipleship* will help you move people to the beneath-the-surface discipleship that actually has the power to change the world.

Compiles stories and wisdom from three church leaders about how to foster an environment where people can grow in their Christian faith.
