The Postmortal A Novel

This is the question that lies at the heart of Drew Magary ' s debut novel, The Postmortal. Told through what is essentially a series of electronic diary entries written by a man named John Farrell, The Postmortal chronicles the near-future where a cure for aging has been discovered and humanity has taken its first tentative steps toward immortality.

The Postmortal by Drew Magary

The Postmortal is told through the eyes of John Farrell, who gets The Cure at age 29. Told in short, journal-like chapters, newspaper articles, interviews, and social media feeds, the narrative stretches more than 70 years - at which Farrell remains 29. This is one of the most engaging books I've ever read.
